VENTURA COUNTY COUNCIL, BOY SCOUTS OF AMERICA

36th CONEJO VALLEY DISTRICT CAMPOREE

INTRODUCTION

The 2013 Conejo Valley District Camporee is an opportunity for Boy Scout troops and Varsity teams to demonstrate their Scout skills and Scout knowledge. It is meant to be both a competitive event and a fun learning opportunity. A "winning at all costs" attitude will be discouraged and could result in a loss of points. As with all Scouting events and/or activities, the Scout Oath, the Scout Law and the Outdoor Code will be the guidelines for behavior throughout the Camporee.

The Camporee is simply a group of Boy Scout troops/patrols and Varsity teams on an overnight camping trip that will involve organized competitions between them in which their scouting skills will be judged. The judging will take place within specific patrol categories: 1) New Boy Patrols, 2) Regular Scout Patrols, 3) Older Boy Patrols and Varsity Teams.

The criteria for membership in each category of Boy Scout patrol is as follows: New Boy Patrols have membership made up entirely of boys below the rank of First Class and under age 13; Older Boy Patrols are defined as having 50% or more of their membership either \geq 14 years old or Life Scout or higher; Regular Scout Patrols are those which do not meet either of the above criteria. These groupings are being made to ensure that Scouts are competing, and comparing themselves, with Scouts of similar age and degree of advancement. Ages are as of the Friday of Camporee (April 19, 2013) and ranks are as of the date the Camporee registration form is submitted.

The Camporee theme for 2013 is "Reach for the Summit!," a nod to the 2013 National Scout Jamboree being held for the first time at the Summit Bechtel Reserve in West Virginia. Scouts are encouraged to follow the theme throughout the weekend. Examples include their patrol names, flags, and cheers. Special consideration will be given to those with theme spirit! (Remember the 12 points of the Scout Law when incorporating the theme.)

Camporee is intended to be "For Boys...By Boys" with adults supervising and assisting only as required. As such, Camporee is led by a Senior Patrol Leader who is selected from applicants. He is chosen to be a "Leader of Leaders." If your troop contains an enthusiastic young man of high caliber, age \geq 16 and Life or Eagle Scout, please submit his name and troop number to the Camporee Staff for consideration for this or next year's Camporee.

If you have any questions after reading this pamphlet, PLEASE bring them to the attention of the 2013 Camporee Committee though Co-chairs Don Cutler (donc@powermaginc.com; 805-402-7998 or) or Bill Parker (bill@newburyparkers.com; 805-499-7516).

This booklet contains information relating to both Boy Scout troops and Varsity teams.

REGISTRATION / FEE

To encourage early registration, Camporee fees are discounted to **\$17 per person until Saturday, March 2, 2013**. After that date, the fee increases to **\$20 per person** and the **regular registration deadline is Saturday, March 30, 2013**. (Make sure you deliver or mail your registration in time – it needs to be **received** by March 30, 2013.) **Late registration after March 30th increases to \$28 per person and should be received by Saturday, April 13, 2013 (i.e., 1 week prior to Camporee)**. *No Troop/Team registration is allowed at **CHECK-IN***, although minor roster changes can be made at that time.

The Patrol section on the back of the unit registration form is to be completed with the initial registration. This is a **must** so we have time to get the information entered into the computer and the Camporee rosters printed. ***NAMES OF PATROLS SHOULD NOT CHANGE AFTER REGISTRATION***. Please indicate on the registration form each boy's current rank and the age he will be as of the Friday of Camporee (April 19, 2013). Mark each Patrol as New Boy, Regular, or Older/Varsity.

Each unit must also include the name and contact information for a volunteer to help with parking during Camporee (see PARKING section below and on the front of the Registration Form).

Don't wait until the last minute to register. Do it before the last two or three days so any problems can be worked out before the relevant registration deadline.

Registration is to be by Troop/Team. The 2013 Camporee Registration Form should be used. All forms and money should be directed to the Council Service Center (i.e., the Scout Store):

Boy Scouts of America, Ventura County Council
509 E. Daily Drive, Camarillo, CA 93010
Phone: (805) 482-8938

Checks should be made payable to "Ventura County Council, BSA."

Following initial registration, units may amend their registrations prior to Camporee to add additional youth or adult participants. Any additional registrants will be charged the currently applicable fee at the time of the amended registration. Updated registration forms should be submitted, along with the additional registration fees, to the Council Service Center.

Please note that **BSA Tour and Activity Plans are not required** for units attending Camporee, since the location is within the Council boundaries and this has been agreed with Council.

GEAR DROP-OFF PRIOR TO CAMPOREE

The scheduled time for vehicle access to the camping area for gear drop-off is Friday, April 19th from 8:00 AM until 3:30 PM. No vehicles will be permitted to enter the camping area after 3:30 PM. If you cannot drop off gear prior to this time, all gear will have to be carried into the camping area by hand or on carts/dollies. If you cannot make the Friday gear drop-off, would prefer to drop gear Thursday evening **AND** have an enclosed, locked trailer, you may drop the trailer off between 6:00 PM and 8:00 PM on Thursday, April 18th. **Note: there is no security at the site and you will assume all risks for loss or damage. No exceptions!**

ARRIVAL AND PARKING

Parking is a critical factor in the viability of this site for use as a Camporee. There is no parking at the camping area except for troop trailers (minus the towing vehicle) that may be parked on the northwest and northeast roads. The southwest and southeast roads are to be kept clear for authorized event vehicles only.

The adjacent neighbor has consented to the use of the property near his private airstrip for parking. **Absolutely no vehicular or pedestrian traffic or parking is allowed on the airstrip itself at any time and for any reason for the duration of the Camporee – no exceptions for food drop-off, heavy items, or anything else.** Parking is restricted to the dirt areas adjacent to the airstrip. All traffic will be routed past Underwood Farms to the parking areas – **there is no parking of any kind in the Underwood Farms parking areas.** Scout and equipment unloading will occur in the dirt area adjacent to the north side of the airstrip. All units must remove gear from vehicles and move to the waiting area just north of the airstrip immediately after parking. Waiting for all troop/team vehicles to arrive will not be permitted, as this becomes a safety hazard for those waiting and for approaching vehicles, as well as for parking staff. The parking staff will direct all units to the staging area adjacent to the airstrip so as to keep traffic flowing. Camporee Staff will direct units to check-in/uniform inspections. Adherence to these instructions is absolutely mandatory.

No RV's (motorhomes, trailers, or campers) are allowed. Please carpool to conserve parking. Each troop/team is requested to provide one volunteer to support parking/facilities for a 2 - 3 hour shift on Friday evening, Saturday (morning, afternoon, or evening), or Sunday morning. "Many hands make for light work." If more folks step up, we can have shorter shifts. **The following information is requested to be included on the Camporee Registration form for each unit: name of parking volunteer, contact phone (preferably cellphone), contact e-mail and preferred time slot to support the effort.** Dave Schindler (805-469-5664, dms.schindler@gmail.com) is the Camporee Parking Chair and will contact the volunteers after all names are in to coordinate initial assignments.

VEHICLE CONTROL

All vehicles will park in the designated parking area. This includes Friday evening through Sunday morning. During Camporee, no vehicles will be permitted in the camping or event areas without prior authorization. **On Sunday morning, only trailer-towing vehicles will be allowed into the camping area, and only during or after the morning assembly. Please respect quiet hours and DO NOT attempt to enter before parking staff opens the entry.**

CHECK-IN

Check-in is between 4:00 PM and 6:30 PM on Friday, April 19th. Please plan to have your unit arrive in one group. This means that your **whole Troop or Team** should arrive for check-in at the same time. The gathering and check-in areas will be identified and staff will be available to direct you. To check-in, each unit **must** have a **Parental Permission/Consent to Treat Form for each boy, and two copies of an updated roster (Camporee Registration Form).**

A campsite and event location map will be provided at check-in, along with a check-out form and unit evaluation forms.

UNIFORM INSPECTION

Each Scout or Team Member must arrive in complete field ("Class A") uniform. After check-in, each patrol/team will proceed to the uniform inspection area. After the inspection, uniform shirts can be removed and appropriate scout activity shirts may be worn if so desired.

ENVIRONMENTAL IMPACT

We remind everyone of the Outdoor Code. To lessen our impact on the environment, we ask that everyone does their part to protect the fragile structure of this site by carefully observing low

impact camping concepts. No tree climbing or fruit picking. Please use only biodegradable soap and dispose of “grey” water away from trees within your assigned site. Minimize the size and depth of any wastewater holes to 12 inches deep and 6 inches wide. The faucet areas are to be used only to fill containers, which must be carried back to your assigned site before using the water. **NO dish-washing and NO bathing or hand-washing will be allowed at the faucets.**

FLAGS

Unit flags are to remain in the unit's campsite area. Patrols/Teams should carry their patrol flag or team mini-flag during events.

AWARDS

- Event awards will be presented for 1st, 2nd and 3rd place for each patrol category. These awards will be presented at the campfire on Saturday night.
- Awards will also be presented for Gateway, Patrol Flag, and Dutch Oven competitions.

FIRES

No open fires are allowed due to extreme fire hazard – this includes ground or elevated fire pits. The use of charcoal is allowed provided it's in a grill or other container. **No exceptions** will be permitted.

STOVES

No liquid fuel stoves or lanterns. White gas, alcohol, charcoal starter, kerosene, etc. are not to be used. Only stoves and lanterns using sealed-valve containers, such as propane/butane, are to be used and only in the presence of an adult in the campsite.

FIRST AID

There is a First Aid Station available, manned by licensed and/or certified Staff. All injuries must be reported to this station to comply with insurance requirements.

WATER

Water is available at various faucets located throughout the site. **NO dish-washing and NO bathing or hand-washing will be allowed at the faucets.** Please do not waste water. Carry all required water to your campsite and use it at your campsite.

SANITATION

Portable toilets are available for everyone to use. Please help us to keep them and the nearby wash stations clean. Site restroom buildings are reserved for adult use only. All trash and food waste should be disposed of in trash bins located throughout the site, not in the portable toilets. Do not dump trash on the ground!

SAFETY

No firearms, sheath knives, butterfly knives, or knives with blades over 3 inches long are allowed for boys or adults. Please observe any roped-off areas as **OFF-LIMITS**.

ELECTRONIC GAMES, RADIOS, ETC.

Flashlights and watches/alarm clocks are allowed. All other devices may be confiscated and returned at check-out. This includes portable music and game players. Cellphones should be left with adult leaders for emergency use only.

PETS

No animals are allowed.

ALCOHOLIC BEVERAGES/CONTROLLED SUBSTANCES

It is the policy of the Boy Scouts of America that the use of alcoholic beverages and controlled substances (including smoking) is not permitted at encampments or activities on property owned and/or operated by the Boy Scouts of America, or at any activity involving participation of youth members.

UNSCHEDULED ARRIVALS/DEPARTURES

Anyone arriving at or departing from Camporee at any time during the course of the weekend **MUST** sign in and out at the **FIRST AID STATION**. We need to be aware of any change in attendance for all adults and scouts at Camporee in the event of an emergency.

LOST AND FOUND

Items found are to be turned in at the **First Aid Station**. Lost items may be claimed at the First Aid Station. (Hint: Label your belongings!)

CAMPOREE STAFF AND ADULT MEALS

Staff and adult meals are planned to be available at Camporee. All adults attending with their units will be invited to participate. Additional information, including a menu and meal sign-up form will be distributed separately. For more information, contact Clare Little (clare.little1@verizon.net).

ORDER OF THE ARROW

Each unit should schedule OA elections during a unit meeting prior to Camporee. In addition to the OA call-out at the Saturday evening campfire, there will be an opportunity for Brotherhood testing and a ceremony during Camporee. Contact acting Moskimos Chapter Adviser John Chinn for details (mitmjohngmail.com; 805-587-6712). The OA will also be selling candy, snacks, soda, and water during the day on Saturday, and there will be an opportunity for current OA members to pay their dues for 2013.

CAMPOREE DRESS CODE

Class A uniforms are required at all assemblies including Saturday & Sunday morning and Saturday evening campfire/awards. Unit Class B's or other scouting T-shirts or attire are preferred during Saturday's competition and spirit points may be added to those patrols with matching scout attire. Members of the Order of the Arrow are encouraged to wear their sash to Saturday evening campfire, which includes OA call-out.

SCOUT SPIRIT

Camporee participants are expected to display Scout Spirit throughout Camporee. The essence of Scout Spirit is found in the Scout Oath & Law, the Scout Motto & Slogan, and the Outdoor Code. Scout Spirit exhibited by each patrol/team will be evaluated throughout Camporee by the Commissioners and Event Staff, resulting in a single Spirit Award to the patrol that best

exemplifies Scout Spirit throughout the weekend. Scout Spirit which recognizes and participates in the Camporee Theme “Reach for the Summit!” will be given special consideration.

During the events on Saturday, Scout Spirit will be scored on a scale of 0 to 5 at each event. While Spirit scoring is at the discretion of the sponsor for each event, consideration is typically given to the following:

1. Patrol/team flag present
2. Patrol/team yell is understandable and “loud & proud”
3. Patrol Leader/Captain actually leads the patrol/team
4. Participation by all patrol members (even if just encouraging others)
5. Courtesy with the event staff and with each other
6. Matching, scout-related Class B attire.

CHECK-OUT

Check-out time is after Sunday morning assembly/awards or, for LDS units, during Saturday dinner (LDS units are, however, encouraged to stay for the Saturday Campfire). A Unit Commissioner must inspect all campsites **before** the site can be vacated. Camporee patches will be distributed after inspection and completion of the evaluation form.

Camporee is a terrific hands-on opportunity for the boys to exercise and develop organizational and leadership skills within their patrols or teams. In view of this, no adult involvement or intervention is allowed in any of the scout activities, including but not limited to setting up camp, preparing meals, coaching or competing during events, and organizing patrol/team activities.

Do you have a “killer” Dutch Oven recipe that can take on the best of them in a throw down? If so, bring it on starting at 3:00 PM at the Dutch Oven cooking area. Bring your own Dutch Oven and your “killer” recipe and ingredients and mix and bake your way to fame and prizes. There should be enough to share with the judges (2) as well as your fellow scouts, or take back to your campsite for your unit to enjoy. **A flyer for the Dutch Oven Throw Down will be distributed separately.** For more information, contact Dennis Anderson (dennisleeanderson@earthlink.net)

In addition, there will be Dutch Oven demonstrations throughout Saturday afternoon (starting at Noon) for you to come by, observe, try it out, and even sample.

No adult involvement or intervention is allowed in any of the scout activities, including but not limited to setting up camp, preparing meals, coaching or competing during events, and organizing patrol/team activities.
