

VCC CUB SCOUT DAY CAMP ***NEEDS YOU!***

TRAINED Range Masters

Cub Scout Day Camp is the only place a Cub can earn their Archery and BB Gun patch in the **NEW** Cub Scout Shooting Sports Program. No other venue qualifies! In order to have a proper range, we must have properly trained volunteers. If you are planning to help at Cub Scout Day Camp and are interested in being a range master, please come to Range Master Training.

March 18th 9am - 12

April 29th 9am- 12

**2101 Via Montecito
Camarillo, CA 93012**

Training is only good for two years so if you are not sure you need to be trained, please contact Andrea McClellan to confirm.

Our Cubs deserve the best, so let's give them a fun and safe range.
Come and be trained.
